### **“ We Take Pride In Our Staffing”**

WorkStaff USA, a minority woman-owned small business, offers full-service staffing solutions nationwide. Serving diverse industries such as Accounting, Administration, Banking, Business Management, Consulting, Clerical, Clinical, Construction, Communications, Customer Service, Education, Emerging Technology, Engineering, Finance, and Healthcare, WorkStaff USA covers numerous other sectors as well. The company is headquartered in Farmingville, NY and strives to connect organizations with top-tier talent. They have developed PostJobMatches.com to facilitate global job procurement.

### **How the Staffing Agency Conducts Services**

WorkStaff USA employs a multi-faceted approach to staffing. They begin by understanding the client's needs and budget. Leveraging their expertise and the PostJobMatches.com platform, they source candidates through various channels, including LinkedIn.

We are partnering with Reflik, Bounty Jobs, Relode, and Recruitifi for making placements with my caliber in staffing. Candidates undergo a thorough screening process, including skills assessments and optional reference checks.

WorkStaff USA maintains open communication with both clients and candidates throughout the process, ensuring a smooth and efficient experience. Their commitment to diversity, competitive pricing, and building strong relationships sets them apart in the staffing industry.

### **Core Competencies:**

- Full-service staffing solutions (needs assessment to placement/onboarding)
- Effective technology utilization for candidate sourcing and reach
- Strong client and candidate relationship building
- Expertise across diverse industries
- "Staffing with passion" - commitment to client satisfaction

### **Differentiators:**

- Diversity and inclusion focus with dedicated platform (PostJobMatches.com)
- Minority Woman-Owned Business (MWBE) status
- Cost-effective solutions and budget-conscious approach
- National reach combined with local market expertise
- Specialized services for government agencies and organizations

### **Testimonials**

WSUSA has been a unique experience for job placement for me. Working with Thomasina Hinds was a blast; she was always there for me from beginning till placed on my new position.

- P. Peterson - Engineer

Thomasina was a massive help in finding me a position, I was placed at a great company in no time flat. She was able to listen to what I was looking for and helped me focus in on the best opportunities.

- R. McGreevy - Account Manager
